Circular No:75 / AY 2020-2021

Subject: Term 3 Assessments, quizzes, and exams: The key to a successful ending

Dear Parents,

I write to inform you of the important dates scheduled for all assessments, quizzes and exams that will take place during the third term. I also would like to remind you of the importance of your children attending classes regularly during face-to-face teaching and learning and full distance learning.

Please take note that all students in Grade 5-10, that are registered for **face-to-face teaching and learning** **MUST be at the school** not only for the examination period, but to gain from the individual attention, support and teaching provided by our teachers.

**No online examinations will be approved**, unless there is a valid medical reason or a COVID-19 reported case. In case of a medical issue, a medical certificate issued by a registered practitioner, must be submitted to the principal for approval.

On May 31st, 2021, an exam time table compiled for all subjects, will be shared with all the parents of the students in Grade 6-10.

All Kindergarten and Grade 1-5 students will be assessed through continuous assessments, activities, quizzes and projects.

I remind all parents that **in order to progress to the next grade, and obtain good grades, our students must attend all classes, engage with their teachers and their peers and submit all tasks, assignments and projects on the due dates** requested by their teachers.

It is imperative that our parents will work with us to ensure that their children are attending all classes, **opening the cameras on their devices**, and that they study and submit all the tasks required by their teachers.

Students that are **absent without a valid reason**, and are not engaged or do not submit their work, will not progress, and will **not be promoted to the next grade.**

The following dates were scheduled for the K-10 assessments, quizzes, tasks, projects and examinations:

<u>Final examination</u> Grade 6-10 (Grade 6-8 in classrooms and Grade 9-10 in the exam hall) All subjects	June 6 <sup>th</sup> , to June 22 <sup>nd</sup> , 2021
Kindergarten and Grade1-5 Reading level assessment and RWI phonics assessments	June 10 <sup>th</sup> , 2021
Kindergarten final assessment week English, Arabic, Islamic	June 16 <sup>th</sup> -22 <sup>nd</sup> June, 2021
<u>Final Assessment Grade 1-5</u> All English and Arabic subjects and submission of final projects	June 13 <sup>th</sup> - 22 <sup>nd</sup> , 2021 June 27 <sup>th</sup> , 2021
Report cards published for parents on Orison	June 29 <sup>th</sup> , 2021
<b>Last day for students</b>	<b>July 5<sup>th</sup>, 2021</b>
Last day for staff	July 8 <sup>th</sup> , 2021

If we glance at the sand in the hourglass, I am sure that you will agree that there is limited time left of this academic year. Therefore, I trust that I can rely on our parents for their support and encouragement with the attendance of our students, the opening of the students' cameras on their devices, and the submission of assignments and projects.

Let us stand together as one team, to benefit all our students.

Keep safe, wear masks and let us keep on following the government and SEHA's regulations of social distancing.

Yours sincerely,

Antoinette Brown  
Principal Director
