

# School OSH Policy

Date: September 1, 2024

We recognize our responsibilities in shaping the values of future generations and aim to ensure our sustainability as a school through proactive leadership in the protection of human health and safety. Therefore we are committed to:

- Promoting a culture of responsibility and accountability toward protection of the human health and safety
- Minimizing health and safety hazards and risks arising from our school activities and operations.
- Promoting awareness and encouraging participation through effective communication and consultation with staff, students, contractors and concerned stakeholders.
- Provision of training in relevant to health and safety issues.
- Preventing injury and ill health.
- Enhancing the health and wellbeing of our school staffs and students.
- Complying with all relevant OSH legislation as per OSHAD.
- Providing adequate OSH resources to maintain a healthy and safe environment to all student's and staff of Ajyal International School.
- Achieving continual improvement of our school OSH performance.
- Maximizing the effective management of suspected/confirmed cases through proper health education.
- Accurate and proper contact tracing to identify, support and monitor all individuals that are potentially exposed to an infected person.
- Setting, monitoring and reviewing OSH targets and objectives.
- Continual Improvement

This policy applies to all Ajyal International school employees, students, contractors and visitors and is readily accessible to all interested stakeholders.
