Circular No:29/ AY 2023-2024
Subject: Swimming Lessons Grades 1-4

التاريخ: 8 يناير 2024

Dear Parents and Guardians,

This circular is to let you know about the second-term swimming lessons that will take place for the Grades 1-4 students.

Please note that all the Grades 1-4 boys will swim for eight weeks starting **on January 8th, 2024, until Ramadan**, followed by the girls in the third term.

ADEK clearly stated in policy PE/K12E2023/015 on Physical Education and Sports that all students should be involved in staying active throughout the day through structured and unstructured physical lessons and activities.

Our PE lessons are essential and mandatory. All students should adhere to the rules and regulations of wearing the proper attire for each lesson per their grade and section timetables.

Students who are ill and cannot swim or participate in the PE lessons must submit **a letter from their parents with a medical certificate.**

We trust that our students will enjoy the swimming and the PE lessons with the variety of resources we have in all the venues at the school.

Please find below the swimming schedule for the second term.

Yours sincerely,
Antoinette Brown
Principal Director
